

# The Sense International Corporate Dragon Boat Challenge

Docklands, London E14  
Thursday 23 September 2010

## The Challenge

This is the ideal corporate team building challenge taking place in the heart of London Docklands: 10 paddlers and 1 drummer in a long boat paddle frantically to beat rival teams and take home the Corporate Challenge Cup. It is lively, colourful and tremendous fun whether you're taking part or cheering on your team.

No experience is needed. You'll be fully briefed and will have a practise session on the water before you race. Each team will have an experienced helmsman to support them who will ensure you go in the right direction! There will be 2 to 3 heats and the fastest teams will take part in the grand final to become Corporate Challenge champions.

## Sense International

Sense International transforms the lives of deafblind children in the developing world.

Deafblind children face unbelievable challenges. They are frequently neglected, abandoned and even locked away. Without support four out of five deafblind children may die before the age of five.

Sense International helps build the bridge between these deafblind children and the rest of the world, reconnecting them to their families and their communities through tailored support and education.

We currently work in India, Bangladesh, East Africa, Peru and Romania and we know that there are thousands of deafblind children waiting for our help. By taking part in this challenge you will be helping us to reach them. Thank you!

## How to take part

**When:** Thursday 23 September 2010 at the Docklands Sailing and Watersports Centre (DSWC) - just 10 minutes from Canary Wharf

**Time:** Arrive between 5:30 and 6pm with practice sessions starting shortly after followed by racing

**What does it cost:** We ask each team member to pay a registration fee of £30 which covers costs, including equipment and a delicious BBQ after racing. We also ask each team member to raise a minimum of £100 each. **Just think - £100 could cover the cost of a specialist teacher of deafblind children for a month in the developing world.**

**What do I do next:** Fill out the registration form and send it back with the registration fee of £30 per team member to book your place in this exciting challenge. You'll need 8-10 paddlers and 1 drummer (drummer is optional)

**For further information about this event or the work of Sense International please contact Naushaba on 020 7520 0982 or email [naushaba.awan@senseinternational.org](mailto:naushaba.awan@senseinternational.org)**
